Hence, the Principal requested NCC, NSS, LACT....etc... to organize a function at Bakarapuram. Though the students were busy with their practical exams, still accepted the request and made it possible. Sri. Vengamuni Reddy, with local people made the necessary arrangements. Sri. C. Hari Mohan Reddy provided tea and snacks for the participants. Dr.L.Raja Mohan Reddy spoke on “Cleanliness” and the need to remain united. Though it was a holiday (Sunday) still students had agreed to stage an awareness programme. We reached at 5pm – met the local people. Collected broom sticks and spades from them and carried out “Swacha Bharath” Programme. Being NCC Day, the cadets took active participation in it. The NSS and LACT team along with the Principal and Coordinators went to each street and called the people to attend the programme. The programme began at 6.45pm. The local children voluntarily joined the team members in dancing. They continue to encourage the team members by claps and yelling.

Dr. H. Ravi Sankar urged the villagers to pay attention to educate their children – not to stop studies and marry them. He also announced to bring any issue to our notice. Anganwadi Member brought to our notice that they are some handicapped people. Principal assured that he would discuss and do the needful.

A Report on activities by NSS during the Lockdown period

Pulivendula comes under Kadapa District, Andhra Pradesh. With four Covid-19 positive cases, this area was declared as “Red Zone”. Many restrictions are imposed by the Local Police. People are allowed to buy their essential commodities in two notified areas, i.e, APSRTC bus complex and CSI Church Campus, from 6 AM to 10 AM by following social distancing. Fruits were sold from the old market area. Sri.N.Narasimha Reddy, Municipal Commissioner, requested Fr.T. Amala Arockia Raj, S.J., Principal, to send some NSS volunteers to maintain the social distancing in the market places.

Due to curfew imposed on movement of people, it was difficult to gather the students. Further, Government had directed to vacate the hostels and rented rooms. Most of the NSS volunteers had gone to their villages. Sri. P. Guru Prathap Reddy and Dr. P. Subramanyam managed to phone and get some volunteers. Since the required number is more, we requested our Scout Master Sri. Sai Narendrakumar Reddy, to get some scout students.

- On 21st April, with NCC, NSS, Scout and LSGEMS Coordinators' help, we identified the families which are starving for food. As we are not allowed to have any social gatherings outside, the needy were requested to come to the campus. We distributed 800 Kgs of rice to 60 families.

The NSS P.Os along with a few volunteers, identified the deserving people and arranged for distribution. On 24th April, the Loyola Fathers, NSS P.Os, IQAC Coordinator, NCC Captain along with volunteers distributed the essential commodities.

Usually, in remembrance of Sardar Vallabhai Patel, "National Unity Day" is celebrated on 31st October. This year, due to semester exams, it would not be possible. Hence, the Principal requested NCC, NSS, LACT....etc... to organize a function at Bakarapuram. Though the students were busy with their practical exams, still accepted the request and made it possible. Sri. Vengamuni Reddy, with local people made the necessary arrangements. Sri. C. Hari Mohan Reddy provided tea and snacks for the participants. Dr. L. Raja Mohan Reddy spoke on "Cleanliness" and the need to remain united. Principal thanked NCC, NSS, LACT Coordinators, Dancers and Village People for their Cooperation.

Though it was a holiday (Sunday) still students had agreed to stage an awareness programme. We reached at 5pm – met the local people. Collected broom sticks and spades from them and carried out “Swacha Bharath” Programme. Being NCC Day, the cadets took active participation in it. The NSS and LACT team along with the Principal and Coordinators went to each street and called the people to attend the programme. The programme began at 6.45pm. The local children voluntarily joined the team members in dancing. They continue to encourage the team members by claps and yelling.

Dr. H. Ravi Sankar urged the villagers to pay attention to educate their children – not to stop studies and marry them. He also announced to bring any issue to our notice. Anganwadi Member brought to our notice that they are some handicapped people. Principal assured that he would discuss and do the needful.

A Report on activities by NCC during the Lockdown period

Pulivendula comes under Kadapa District, Andhra Pradesh. With four Covid-19 positive cases, this area was declared as “Red Zone”. Many restrictions are imposed by the Local Police. People are allowed to buy their essential commodities in two notified areas, i.e, APSRTC bus complex and CSI Church Campus, from 6 AM to 10 AM by following social distancing. Fruits were sold from the old market area.

On 21st April, with NCC, NSS, Scout and LSGEMS Coordinators’ help, we identified the families which are starving for food. As we are not allowed to have any social gatherings outside, the needy were requested to come to the campus. We distributed 800 Kgs of rice to 60 families.

On 22nd April, Frs. B.Joji, B.Sudhakar and T. Amalraj, went to Nagarigutta and distributed bags containing essential commodities. It was in collaboration with NCC.

Our NCC students are helping the local police in controlling the crowd from 6 AM to 10 PM.

The Sister in-charge with Staff explained to us the different types of children (Deaf, Dumb, Blind, handicapped...etc) – the way they learn the “Numerical system – calculation – concepts” using Braille and demonstrated with those who have learned.

Fr. G. Kiran, S.J told them anecdotes and encouraged them to learn well. The cultural programme was well received and appreciated by the children. In turn, they too performed a dance for “Pranam” song. Fr.T. Amalraj, Principal, thanked the team for their readiness and generosity to stage the programme on “Krishnastami” holiday. As we didn't have LACT Programme in July and August, we wanted to have two more programmes in this month. Principal, through the Coordinator, approached the Residential School Principal at Besthavaripalli. Though they had quarterly exams, still Principal allowed us to conduct the Programme. In short notice, the team members got ready and we reached that place by 4.15pm – made the necessary arrangements. More than 300 students enjoyed the programme. Principal narrated an anecdote and asked inmates to sharpen their brain – to allot 15 – 20 minutes for meditation. He also stressed on “Time – Management”. Sri. Surendra Babu, Principal of that school thanked the Team members for their performance. We came back at 6pm.

Though the village is just 2 KMS away from the main road, due to surrounding hills – didn't have cellular signals. They also had power cut due to rain.

The audience was ready by 6.40pm itself. We began the programme at 6.45pm and it went on well. There were more than 100 children in that small village. They enthusiastically watched programme and responded to the questions raised by the Magician and M.C. We had meals at Sri. Ashok's house at 9pm and came back to the campus at 10pm.

This was almost “all-of-Sudden” Programme as Ms. Pravallika could not confirm the programme at Venkatampalli. Ms. V. Anusha, ASCSB was requesting for a programme, volunteered to make immediate arrangements in her village. Nobody visited that village earlier. We started at 5.15pm but the Bolero Jeep gave trouble. The link road (2 Kms) from Mudigubba main road to village was washed away by the rain – hence it was difficult to travel) The Gents’s team went ahead and made the arrangements.

The programme began at 7.15pm. The Children were quite active in responding and village people keenly watched the programme. Sri. Vengal Reddy of that village allowed us to take connection from his house and to stage the programme in front of his house. Sri. V. Nageswara Reddy’s family, (Ms. V. Anusha) prepared and served food for the team. We returned at 10.45pm.

We left the campus at 2.30pm. The Principal was very cooperative and encouraged us to stage the programme. It was held in their hall. There were about 250 students whose clapping encouraged our team to stage the programme without any inhibition. Principal, Fr. Amalraj, spoke on “Responsibility” and to develop good habits while they were young. He also insisted them to lead a systematic life. Sri. Chitti Babu, Principal of Residential school of Excellence along with staff felicitated the team with a shawl.
