

## **Feedback from Alumni**

### **Feedback on the Institution by the Alumni 2018-19**

#### **INTRODUCTION:-**

As a part of education, teaching, learning and evaluation is a continuous process. It has to be checked every year. In that situation, it is only through students, who are the end products of our 'factory' or 'firm', we have to assess ourselves. So it is quite natural, to assess students instead of assessing ourselves. With this perspective, every year we are obtaining feedback from the alumni regarding relevance of the experience about the institution, infrastructure, faculty curriculum, Extra Circular Activities. This year also the feedbacks are collected and statistical tools are applied in analyzing the feedbacks. The Department of Statistics has helped the institution to a great extent in this matter. The model questionnaire prepared for the survey is given here.

#### **ANALYSIS:**

1. All most all the alumni are continuing their studies with P.G courses and a meagre amount of Alumni are doing business and farming.
2. All the alumni expressed that the institution is having a vision and from the institution they became honesty, hard work and dedication.
3. They expressed that the institution promotes the extracurricular activities like N.C.C/N.S.S/L.L.Petc and its provides an opportunity to express their cultural talents.
4. Nearly 99% of alumni says that the general discipline of the Institution is excellent and good. Only a meagre percentage of expressed that as average.
5. All most all the alumni having a general opinion about the faculty working in the institution is excellent.
6. All the alumni are satisfied with the infrastructure facilities and administration of the institution and they rated with excellent and good.
7. All the alumni expressed that they feel proud about the institution and rate the general atmosphere as excellent.

#### **Report and Conclusion:**

1. It observed that all most all the students are continuing their education by joining P.G courses. Only less percentage of students are doing farming and business.

2. Appreciation from all the alumni toward vision promoting extracurricular activities, cultural talents, infrastructure facilities. Overall administration, discipline and faculty of the institution.

3. They feel proud to be a part of the institution and appreciated the general atmosphere of the Institution.

4. Some of the alumni suggested to improve the facilities in lab, library, sports, internet and Communication
