Note: In earlier AQAR or in NAAC Cycles 'Employers' feed back not there. As it is mentioned now, we took only for one year

The feedback from different Company/industry/institution was taken and analyzed. Majority of the employers expressed their satisfaction on the performance of our students. Most of them have imbibed the value of their institution/organization. They also stated that our students are ready and willing to learn and update themselves in the given situation or requirements. The employers appreciate the hard work and commitment of our students. Many of the employers remarked that our students do maintain good and positive human relationships, remain honest and do justice to their work.

With regard to need of supervision, 59.1 % of them opined that supervision is needed and 40.9% said that our students 'do not need supervision'. In the survey, it is pointed out that our students are talented and eligible for further promotion.

Of the employers surveyed 77% have rated our students as 'good' and 23% as 'Excellent'
