

Loyola Degree College (YSRR)
Scan of the Feed Back Register from 2017 to 2022

30/8/17 S. G. Subrahmanyam APSSDC

The college has been a treat to be at, both while training & interacting with the staff & students. Father (Principal) has been very cordial & set his expectations clear for trainings. The hospitality has been excellent. It's an honour & a privilege to visit this facility.

30/8/17

29/10/20

Thank you for the time taken to show me around and for the welcome and hospitality. It is amazing to see how the College has grown and developed from what it was in 1993 to what it is now. CONGRATULATIONS to the Jesuit team & staff, especially to Fr. Anil who has been the main architect. I'm happy to hear that most of the students are girls and are poor. God bless you (the Jesuit & staff) abundantly.

(Fr. Vernon D'Ceunha, S.D.)

It's my pleasure to write a
 feedback about the department of Mathematics.
 The department concerned lecturers and students
 are very well disciplined and ~~dedicated~~ ^{dedicated}.
 To motivate the students is every important.
 Department take initiative to improve the students
 skills and knowledge like to invite the university
 professors. Thank you for invite me.

Kathayyan

SKRE, SKR Govt Degree College for Women (A), Kadapa

I visited Loyola Degree College
 many times as a practical Examiner
 in Statistics and also to give guest
 lecture on ^{Maths} Statistics for the benefit of
 the students. Recently, I attended two Day
 workshop on 'Econometric Methods' organized
 by Dept of Statistics in your college
 from 10-11, November 2017 to update the
 subject as per the CBCS. Apart from
 Academic and curriculum the college
 is conducting Seminars/workshops, extra-
 curricular activities and extension
 activities involving staff and students
 as per the guidelines of CCE from time to
 time. I appreciate the Loyola Management
 and staff to run the college from
 morning to evening and to bring discipline
 among the students and make them
 to get overall personality development.
 I wish you all the Best

I certify that we have conducted World population day on 11th July 2014 & 11.7.2017 along with team of doctors and have also conducted rallies and awareness programme at Loyola ~~polytechnic~~ degree collage. we have a very good support from collage and staff & students to make our programme a successfull. Thanks for good support.

29/11/17

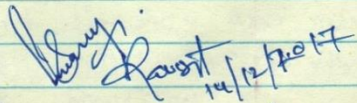

CEO STEP Kodga.

14/12/2017

We, Swamy Bainsi & Ravi Kumar are deeply impressed with the academic ambience and the facilities provided at Loyola Degree College. We have conducted a one day workshop for the first and second year students. The response was amazing and overwhelming. The department of English is doing well.

The flora and the fauna is a treat to experience here. Thanks to Mr. Anand Raj for beautifying the campus. Thanks to Mr. Joseph Kumar and community for food and accommodation.

Thanks for everything.

14/12/2017

PhD Scholar EFL University

Dr. B.N. Ramesh Babu
Medical Officer
J.R.S Blood Bank
Kodape.

Myself & staff visited the college on 21.12.2017 9AM. The arrangements done are good received by Principle & NIS chief are nice. The arrangements are planned. The students who participated in blood donation camp are disciplined.

We have taken 100 units of blood from students of this Layole college are very enthusiastic & are habituated to donate blood every year which is excellent habit which saves 100s of lives who are needy. The management is appreciable.

I am G.V. Ramana Really great opportunity I studied Loyola Degree college until a Today I am so lucky well settled in our life because of program, staff, library, and our teaching staff I am grateful to our principal Ama

IRCS Chairman

Very happy to visit Loyala college
Peelivendula in connection with Disaster
First Aid Training Programme in this institute.
It is with a mention up to say that this
institute is serving rural youth Education
and the way in which the institute is
maintained. Loyala is noted for discipline
and it is very good institute. I further
mention that the infra structure, facilities
and campus are real assets.

A. Pitchai Chairman
of Student of Andhra Loyala College.
Chairman Indian Red Cross Vijayanagar
Kadapa Branch. 5.2.2018.

It's my privilege to visit Loyola
Degree College (YSRR) and deliver
Guest Lecture on Learning Skills and
Teaching Skills. The campus has
the countenance of a university and
I appreciate the Management and
the Staff in the rendering selfless
service for the greater Glory of God.

I will thank all success in
future endeavors.

28/3/18

My association with Loyola degree college has commenced in 2011 in the form of INSPIRE Science camp. I was a participant in this science camp. The commitment levels with which Prof. Rama Krishna Reddy sir of this college, conducted the science camp have inspired me to take neuroscience a research direction. He has been a great support and source of inspiration to me. Ambience of this college complements with the INSPIRE like programs that are conducted here. I am thankful to this college for being a good start of my research career.

Sincerely,

Sincerely,

P. Mani Kumar,
28/3/18.

Bangalore.

Prof. K.P.J. Reddy, IISc, Bangalore.

This was my first visit to this institution and I am impressed with the infrastructure, dedication of the faculty and sincerity of the administration staff. It was a privilege and very inspiring to meet the principal and also I was fortunate enough to have spent substantial time with him. Every nook and corner of the campus has the stamp of the dedication of the principal. I had interaction with B.Sc. students and was very impressed with their dedication and eagerness to listen to the visitors like me. I have also suggested building of a science centre for the children in the campus and offered help in building this centre. It is a pleasure to invite the students and staff to visit IISc and Dr. H. Narasimhaiah Science Centre, Ganribidamr.

Thanks for inviting me to campus.

As a Jesuit Regent I worked in Polytechnic College and hostel. This campus has been a growing campus in various perspectives - Empowering students, Making the campus green with various plants, Maintaining the quality of Education, Discipline, etc. In 2013-14 there were growing plants, Expansion of grounds, Construction of buildings, etc. Now to-day to my surprise, as I went around the campus to every corner, I was taken with joy and my heart was filled with great fervor to God and particularly to Rev. Fr. Amal. The time I finished my regency here, I take Fr. Amal as an example and tell everyone about the greatest contributions that he made to this KOVOLA Pulivendula. Every tree and stone speak of his hard work, Every student who rolled out of this campus attribute their growth to the guidance of Fr. Amal. Personally Fr. Amal has been a guiding force for me who continues to inspire me to be a true, Committed, Sincere, hardworking Jesuit. To-day I see the campus full of growing up green trees, beautifully laid roads, well protected compound walls, flowering plants, disciplined campus, full of facilities to the students, etc. I was edified with enormous continued growth in the campus. Kudos to Fr. Amal who continues to commit himself to the welfare of poor students and the development of the campus. Thank you Fr. Amal for making this institution to travel to different heights in Academic and infrastructure. Thank you for inspiring me continuously to be a true and hardworking Jesuit. Thanking you for this opportunity

Love and Prayers
Fr. Maria Prasad SJ

28.11.2018

1. It impress me a lot that at first glance college campus is clean and green gave high impression.
2. Class work is highly prompt. every teacher attends to class on time and punctual.
3. Spirited class/ethical class at first of every month is helps a lot for the mind improvement.
4. The father administration, looking after college, time, punctuality, alumnus work is excellent. He is developing the leadership quality among students, imparting knowledge as, wisdom and discipline.
 May God bless the institution, and Father and may help the students to good course of study.

7.12.2018

1. I have come here for the first time to this campus.
2. I am extremely impressed with the clean environment with good infrastructure in the college.
3. I also liked the quotations displayed at several places, which, I strongly believe, would certainly motivate students and teachers.
4. I was very delighted to see the Geological exhibition and the museum which will impress my visit.

I wish the staff and the students good luck in their future endeavours.

09.12.2018

- I have visited this college thrice in last five years. Some of my observations are as following.

As each year passed, the campus has become very green with continued plantation of trees. The hygiene and cleanliness drastically improved.

Children are well behaved, disciplined with lots of inquisitiveness. They are very good in posing relevant questions & grasping.

The teachers & students maintain good relations and maintain very cordial atmosphere.

I foresee that this college grows very fast and become one of the best learning centers.

I WISH ALL THE BEST

WOMEN ARMY GLAD TO BE A PART TO 'TRAIN' GIRLS OF LOYOLA PULLIVENDULA IN SELF-DEFENCE TRAINING WORKSHOP FOR GIRLS AS WE FELT THE Hospitality of Loyola, the campus, greenfield environment as they are training and learning the Education in a well disciplined environment. The students are well disciplined guided by well trained teachers of Loyola.

We welcome you to train in self-defence

WOMEN ARMY

12.10.2019 (By Alumni).

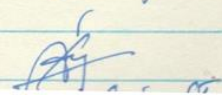

నేను 2005 M.P.C (తెలుగు) విభాగం. 2002 లో లయోల డిగ్రీ కళాశాలలో చేరినాను. చాలా అందమైన, ఆహ్లాదకరమైన పాఠశాలలో చదివాను. మా ప్రవృత్తి, విద్య వల్ల నేను బాగా చదివగలిగాను. మూలంగా లయోల ట్రూ చుట్టూడుతున్నానని అనుకుంటున్నాను. నేను ఇంకా విజ్ఞానం అవును, జీవితంలో అవును ప్రయత్నించాలి అనిపిస్తుంది అని భావించాను. 'బస్సు వదిలి నియతం అలవ్వండి' అని అనుకుంటున్నాను. నడుపుకోవాలి, నడవడం ప్రయత్నించండి. నేను చదివినప్పటికీ, ఇప్పుడు లయోల కేవలం అభ్యుదయం చెందింది. కేవలం విద్యార్థులకు అనుకూల వాతావరణం కల్పించాలి అనిపిస్తుంది.

ఇప్పటికే కేవలం అనుభవం సురక్షితం. ఎన్నో అభ్యుదయం కలిగించాలి. నా జీవితం తిరిగివచ్చినట్లుగా లయోల కేవలం అనిపిస్తుంది. మా ఊరు: పాపం, సుఖం (మా).

31.10.2019

Memories are the timeless treasures of your heart. I feel delighted to see this place and the changes that this campus has witnessed over the years. My memory goes back to the year 1995 has a kid growing in this town, as a kid studying in St. Ann's School I've visited this college. The growth it has made is enormous in spreading the education to the students around. The campus is so green and natural, giving fresh air. Fr. U.S. Paul and Fr. Amal have shed their blood, sweat to raise this college above the ordinary. The college has spread its wings far and wide by introducing various courses, and has taken into the hearts of students and people by introducing h.f. lunch scheme and other social services activities. The campus has been recognised by the Forest departments because of the tree plantation and one for it, it is because of the hardwork of Fr. Amal, a strong, committed, dedicated leader. The campus had something in the beginning and it has grown to have everything.

04. Januar 2020

Nach unserem dreitägigen Aufenthalt im LDC Pulivendula verlassen wir diesen Ort mit großer Dankbarkeit und grenzenloser Bewunderung, was mit unendlichem menschlichem Einsatz, mit Ausdauer und Beharrlichkeit, mit Visionen, Geduld und Hoffnung letztendlich aus dem Nichts entstehen kann: Eine grüne Oase inmitten karger Landschaft, aber ebenso eine Oase für Bildung und Wissensvermittlung inmitten eines kargen Lebensumfeldes. Ins besondere beeindruckt hat uns der unermüdete Einsatz der Jesuiten für die Studentinnen und Studenten. Mit Strenge, wengleich wohlmeinender Fürsorge und Aufmerksamkeit erhalten diese hier jegliches Rüstzeug in vielerlei Hinsicht um eigenverantwortlich ihr Leben und ihre Zukunft in den Blick zu nehmen. Unsere größte Hochachtung und Aufmerksamkeit bzw. Anerkennung für all das, was hier am LDC und am Polytechnischen Institut in die Tat umgesetzt wird.

Wir danken von ganzem Herzen für die riesige Gastfreundschaft und freundliche Aufnahme. Möge der Segen Gottes weiterhin Früchte tragen lassen.

As I pen my sweet memories goes back to my student life in this college (Doyola), it's really delightful and glad to pen these few lines. I appreciate the management and staff specially Rev. Fr. Amal who's blood and sweat brought forth the college to this stage colourful and greenary with all the latest equipments, neatness, discipline and with all the rules and regulations of the college. Beside education there are many activities conducted by the college namely Rev. Fr. Amal who takes lot of interest and efforts to develop and uplift the standard of the college. Such as the activities mainly NCC, NSS programmes, outreach programs, lact etc. All these were introduced by Fr. Amal who always think and works for the development of the college and the growth of the students over all the wellbeing of the institution. Being a student I admire the hardwork, tirelessly working ^{always} standing on his legs working more than any other helpers. I congratulate Rev. Fr. Amal for his creative mind and creative thinking for the growth and development of the college and students in this locality of poor and needy through various activities and programmes. Also the college's main purpose is to give the quality education and teaches moral ethics and the discipline and decency. Lastly being a student it's my responsibility to pray for the wellbeing of the college.

Sa. Agatha
21/12/20

23/12/2020

The memories are still alive and active but the expectations goes behind the curtain.

Yes it's my great experience which I have been here, and studied. I am happy to express my inner thoughts and ideas which I have learned from this college. I really admire the staff and the management who work hard to come up this institution. In need I assure my prayers to grow this college in good way.

Thank you.

Yours faithfully

Sr Parimela JMS

Zoology, Yogi Vemana University, Kadapa.

I Dr. Anu prasanna Van Kara has
visited your College as Practical
Examiner to Conduct M.Sc. Zoology
Practicals for 1st and 2nd Semester and
it is my immense pleasure to
visit the campus. The campus
environment is very serene, lively
with a lot of floral and faunal
biodiversity. It seems to be very
student friendly campus with a
very good infrastructure and faculty.
Thanks to the Principal for his
friendly gesture towards us.

Thanking You

Dr. V. Anuprasanna

I am very excited to share feedback about this college. When I was came here, I did not know about but I had learnt everything from everyone. Coming to faculties & facilities they had done their responsibility in a great way. Encouragement which we had from the faculties really it was a great exposure to us.

Palicherla SaiBharya (Mpes 2017-20) 21/05/2021

I feel that I am so fortunate to be a student in this institute. This college helped me to learn many things to evolve as a respectable person in this society. College management faculty had been so supportive, with their help of guiding and by their inspiration I got placed in Cognizant Company. The environment here would be so friendly and encouraging to open up students talents as well. Not only in academics, this college helped me to become a leader by being in SMS [Student-Motivating Student]. I got a chance to showcase my dancing skills and the faculty encouraged me to follow my passion too. It's really an honour to give a feedback for the college like this.

Thank you,

P.SaiBharya.

C. Lakshmi Smittha (Constable) 12/07/21

I am very glad to share feedback about this college. The college environment is excellent. I and my staff came to this college to give awareness about disha sos. Coming to the faculty they are very responsible and they encouraged every student to download dishasos. They are very responsible about their children's care. It's a great experience to us.

It gives me & my family ^{a great pleasure} to visit Loyola Campus, Pulivendla on 26th & 27th Aug 2021. I am in touch with Loyola Community for last 25 years and had been frequently visiting & observing the great developments in the Campus since taken over by Y.S. Raja Sekhar Reddy's family.

The Campus is so green, such a wonderful Campus, lots of buildings have been ~~start~~ constructed.

My brother's kids got educated, and have here and presently settled in Australia & Dubai. Like with thousands, lots of students get education and are settled so well.

Congrats to Father Amal & Father Anthony Swamy and the community for their dedicated service.

"A world of Joy can be found in a simple moment shared between kindred spirits who care for each other the way we do"

it is my privilege to work as a part time, regular faculty in this college from 1-12-1988 to till to date previously I am a student of this college from 1983-86 B.Sc (MPC). During this Journey I learned so many things i.e. punctuality as a NCC cadet, love towards the poor from lady S. Jayamma garu and her family, Commitment, Courage, Sacrifice from Jesuit well fathers who would render their guidance. Especially Fr. Amal Arolan Rui, principal motivation and generosity towards rural peoples as very precious. It is my privilege to work under his Administration. We feel with tears and gratitude towards this management. We hope this institution is flourish like

P. Gnanaprathap Reddy. HOD of Chemistry (1998-2021)

It is very pleasure to say that I am the Alumna of this prestigious Loyola Degree College (Y.S.R.). I studied here with DZC group during the period 1982-1985. This College is the symbol of discipline, talented, devoted staff and having pleasant atmosphere. So I learnt so many good habits along with education.

I joined as a Chemistry Lecturer on 10-10-1988 by the grace of Dr. Y.S. Rajasekhar Reddy & Sri Y.S. Vivekananda Reddy Garu. I am very thankful to our beloved Y.S. family. I am lucky person to be working a lecturer here where I studied. I am feeling this is a golden opportunity to work in this well established College.

I learnt so many things under the guidance of and excellent administration of principal Rev Fr Amala Arockia Raj. S.J. who's blood and sweat brought the college to this stage who takes lot of interest to equip labs, infrastructure, greenery, neatness, rules and regulations of the college. Besides education lot of student development activities like NCC, NSS, SMS, LSGE, CACT etc. Midday meals are functioning in very good manner. I also worked as NSS programme officer for 9 years. It is a great privilege.

finally this is very unfortunate to leave the esteemed college. But under extra ordinary conditions I am going to leave the college with tears.

P. Gnanaprathap Reddy 23.9.21

G. Siva parvathi, A. Chandrika, P. Lakshmi Sudha, D.V. Ruchitha

We are very glad to share the feedback about this college. Loyola College is very beautiful and excellent. The environment is peaceful and good atmosphere. We enjoy a lot with friends and staff members and especially with Amal. Amal was our inspiration person. Our college having lots of facilities like library, labs, and sports, NCC, NSS etc. For every festival our college conducted festival programs. To inspire the students, our college conducted SMS. Education is well and good. Staff members are very good and they are easily communicate with the students with normal and proper way. We understand the classes very easily. Our college having lot of facilities. Every month we helped to orphans and oldage homes through LS GEMS and NCC. Our college gives lots of memories to us. It's really an honour to give a feedback for our college.

Thank you.

Yours obediently,A. Chandrika, B.Sc

Udayagiri Aisha, Vaddamani Manjusha.

We are very happy to be a part of the prestigious college — where we had family like atmosphere that surrounds us. It is a place of civility, friendship and cheer. The best part of this college are extra curricular activities like NCC, NSS, LACT, CGP, women's cell... where we explored ourselves. As a part of NCC & NSS students we learnt discipline, gratitude, role of service in our lives. These activities made us responsible towards society. We had so many opportunities to work on and we made so many memories while we were in NCC & NSS camps.

The college infrastructure, labs, environment, library are boon to this institute. The environment will always be pleasurable and pleasant. The labs & library provide all the sources we require to gain knowledge. The college infrastructure is the best we can see. Coming to the staff and lecturers, the physics department was the best. All other lecturers were friendly and helpful. Seminars and assignments made us overcome our stage fear.

All this is possible because of the principal who has been working for this college for so many years. We personally felt, the communication skills have to be increased more in the students. Apart from that, everything is best in this college.
