Subject: Honeysys Campus Internship Program
To: <ramanareddymca05@gmail.com>

Hello Ramana garu,

It was really nice visiting your campus again and meeting the students. Further to our discussion, I would request you to looking into the following points, post which I will start the formalities to initiate our program.

- Following are the shortlisted students. Please talk to them and get their consent to be part of the program - Honeysys Campus Internship. Once you confirm we will proceed to our next step. If there are any dropouts, we can work on filling some other eligible student. This program is a serious, disciplined and dedicated training cum hands-on sessions.

The students are expected to follow the instructions of their mentors from Honeysys and manage their time well outside their daily routine in the college. Once you confirm the list of students who are interested in this program, we will formalize this engagement with proper documentation, training curriculum and schedule.

When can the students begin their program?When are their exams and when will they be unavailable? Can we get this info month wise for 2nd year so that we can prepare the schedule for the program. Similarly can we also get this information for the next year as well so that we can plan the next 12-15 months. When are their holidays?Who will be the point of contact from your side for this program? We request for a point of contact from your side who will monitor the students, manage the schedule and give us weekly progress report.

Please feel free to call me in case you need any clarifications.
